ENGLISH BEST SPEAKER COMPET SHOWCASES TALENT AND CONFIDENCE

Our school's annual English Best Speaker Competition gave learners the opportunity to step onto the stage and share their ideas with confidence, creativity, and passion. The event brought together talented speakers from different grades, each delivering well-prepared speeches on a variety of engaging and thought-provoking topics.

Throughout the competition, contestants impressed both the audience and the judges with their excellent public speaking skills, clear communication, and ability to connect with listeners. From inspiring personal stories to discussions about current issues, every speech reflected the hard work and dedication of the participants.

The judges carefully evaluated each speaker based on content, delivery, confidence, language use, and overall presentation. While selecting the winners was no easy task, every contestant deserves recognition for the courage it takes to stand in front of an audience and express their ideas.

Public Holidays we Celebrate

South Africa celebrates many public holidays that remind us of important events and values. Four important holidays are Good Friday, Freedom Day, Workers' Day, and Youth Day.

Good Friday - 18 April 2025

Good Friday is a Christian holiday that remembers the death of Jesus Christ on the cross. Many people go to church and spend time reflecting on faith and sacrifice.

Freedom Day - 27 April

Freedom Day celebrates South Africa's first democratic election in 1994, when all citizens could vote for the first time. It reminds us of freedom, equality, and democracy.

Workers' Day - 1 May

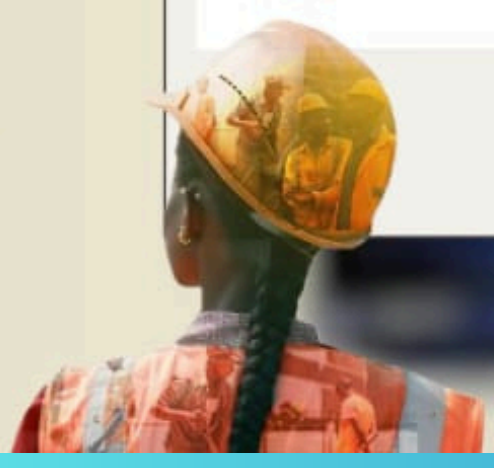

Workers' Day honours workers and the hard work they do. It also reminds us of the fight for fair working conditions and workers' rights.

Youth Day - 16 June

Youth Day remembers the young people of the 1976 Soweto Uprising who fought against unfair education laws. It celebrates the courage and importance of South Africa's youth.

These holidays help us remember our history, faith, and the people who helped shape South Africa.

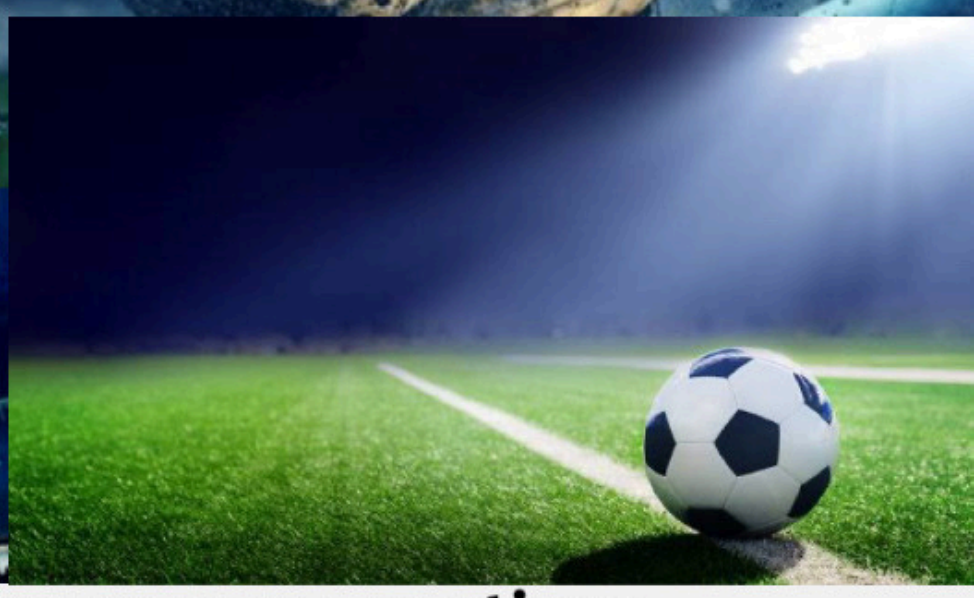

KUSWAG!!!!

Soccer is officially coming to kuswag!!

This is a fantastic new chapter for Kuswag as we continue to expand our sporting opportunities and give learners even more ways to develop their talents, teamwork, and school spirit. Soccer is one of the world's most popular sports, and we are incredibly excited to welcome it to our growing sports family.

Whether you're an experienced player or someone who's always wanted to give soccer a try, this is your chance to get involved. We encourage all learners with a passion for the game to join us as we build a strong, united team that represents Kuswag with pride.

"We gather once a week in my class for a bible study session. There is always a pastor or a minister who conducts the bible study...

...Usually the scripture is given a day or two before and is shared on the VCSV Youth Leaders group. Not many learners attend...

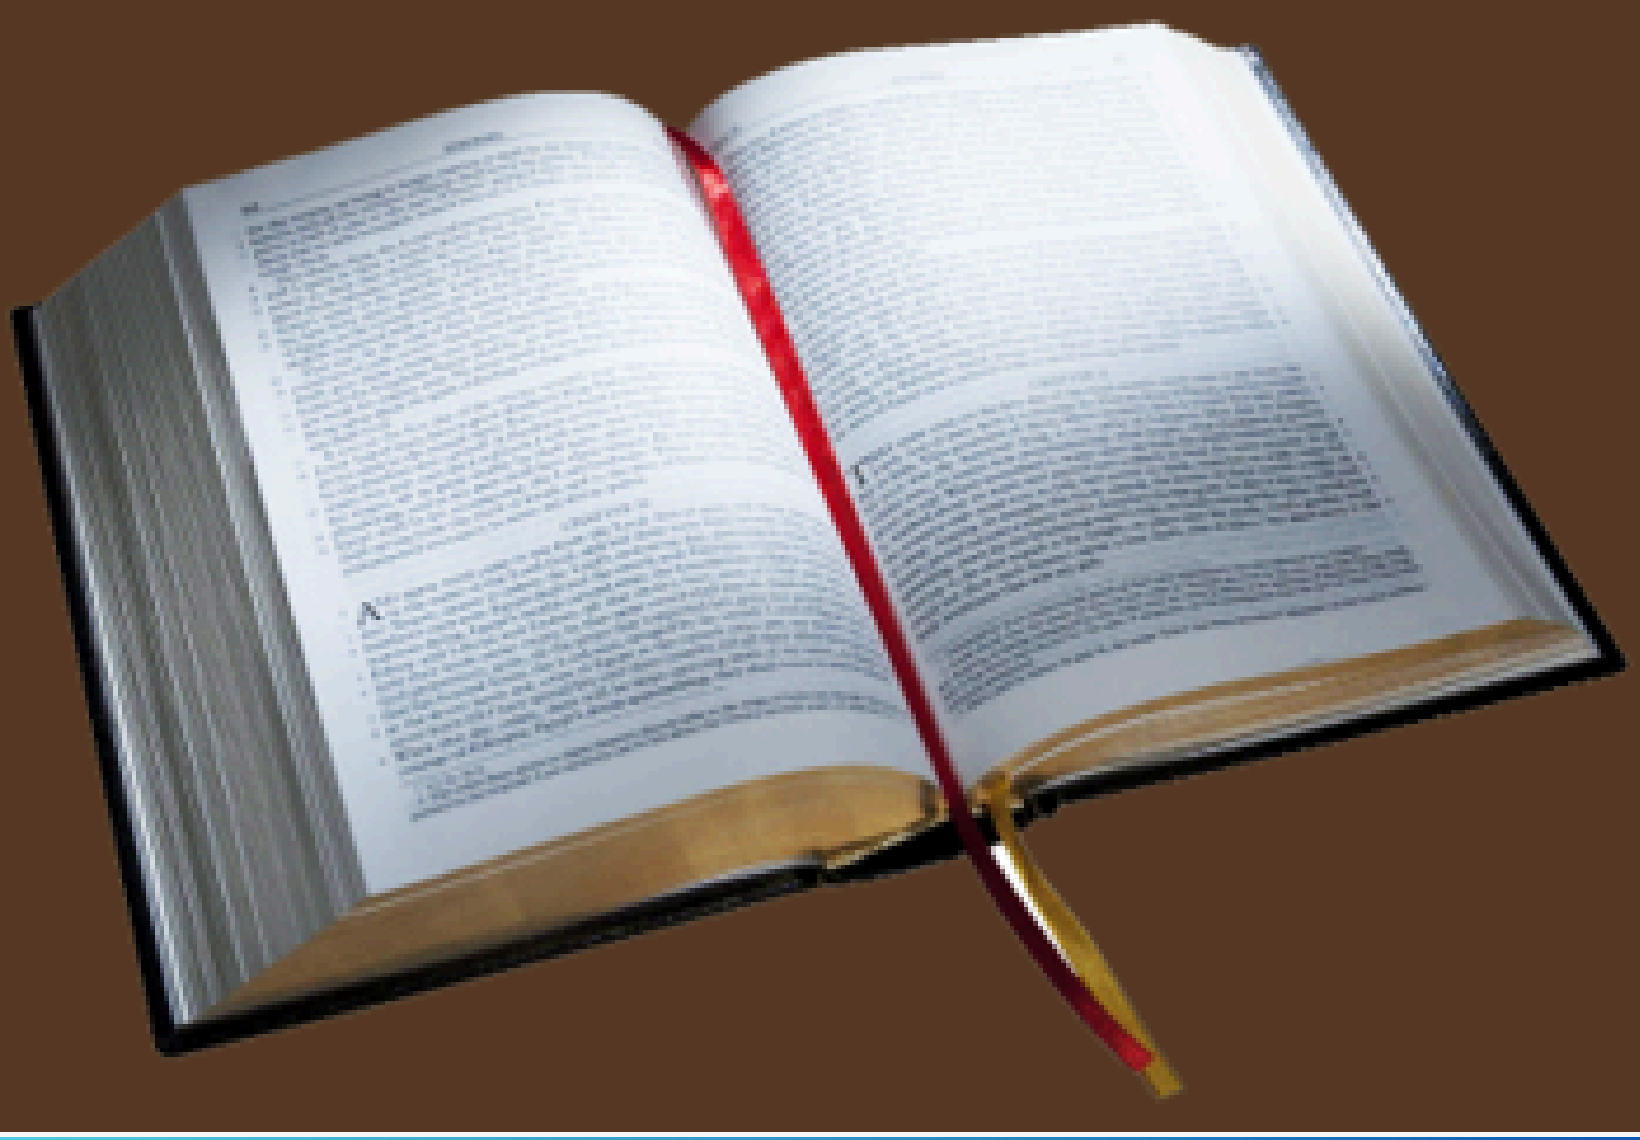

...but it is always spirit filled and break always feels too short. The pastor or minister reads and then discusses the passage. Time for Q&A follows and the session ends in prayer."

-Mrs. Botha

Bible Study

By George Lourens

Bible Study is every Tuesday, second break in Mrs. Botha's class

Leadership

What is a leader?

"Leadership is more than just a duty; it's a responsibility that you take to serve others around you. A leader must first serve others before he/she takes the role to lead the people around them."

- **Luke de Gray Birch (Head prefect)**

"To me, leadership means putting others first, supporting them, and making a positive difference in their lives. A true leader does not just guide, but also listens with an open heart, cares, and helps. Every day I try to be supportive and ensure that people around me feel valued. A smile, a helping hand, or a word of encouragement can sometimes change someone's entire day. Being a leader means walking the path alongside them. Leadership is not about a title, but also about service, respect, and a willingness to always see the best in others and bring it out."

- **Leandri de Koker (Head prefect)**

Teachers of Kuswag school such as Mrs. Botha and Mrs. de Gray Birch also has efforts to teach the high school about leadership

"We try to improve leadership quality, yet keep the faith-based theme"

- **Mrs. Botha**

Meer as net ’n Dag:
Wat Vadersdag vir ons beteken

KUSWAG SKOOL

Geskryf deur: Lethokuhle Biyela

Elke jaar in Junie kry ons die geleentheid om vir ’n oomblik vas te hou, asem te haal en dankie te sê vir die manne wat die fondamente in ons lewens bou. Vadersdag is deesdae baie meer as net die tradisionele geskenkpak met sokkies, biltong of ’n nuwe braaitang. Vir ons as Kuswers dra hierdie dag ’n dieper betekenis wat hand aan hand loop met die waardes wat ons elke dag by die skool uitleef.

Wat beteken Vadersdag werklik?

Op sy kern is Vadersdag ’n viering van **teenwoordigheid, rigting en sekuriteit**. ’n Vader is dikwels die persoon wat jou leer hoe om ná ’n harde stamp op die sportveld op te staan, hoe om foute met integriteit reg te stel, en hoe om met selfvertroue die wêreld in te stap.

Die betekenis van die woord "vader" het ook oor die jare uitgebrei. Dit gaan nie net oor biologie nie; dit gaan oor die rolmodelle wat kies om op te daag. Dit is die biologiese pa's, die stiefpa's, die oupas wat instaan, die ooms wat raad gee, en selfs die afrigters en onderwysers wat daagliks ’n rigtingwyser vir ons jeug is. Dit gaan oor daardie persoon wat agter die skerms werk sodat jy op die verhoog of die veld kan skitter.

Die Kuswag-konteks: Waardes wat oorgedra word

By Kuswag Skool streef ons na uitnemendheid en respek. Dit is eienskappe wat nie net in die klaskamer gekweek word nie, maar wat by die huis begin. Die manne in ons lewens wys vir ons wat dit beteken om pligsgetrou te wees—of dit nou beteken om vroeg op te staan vir werk, langs die netbalbaan of hokkieveld te staan om ons te ondersteun, of om bloot te luister as die skoolgons te veel raak.

Hulle leer ons van:

- **Deursettingsvermoë:** Om aan te hou hardloop, selfs al is die laaste kwart of minuut amper verby.
- **Beskerming:** Om ’n veilige hawe te wees waar ons heeltemal onsself kan wees.
- **Liefde in aksie:** Dikwels praat pa's nie baie nie, maar hulle dade—soos om dinge reg te maak, ritte te reël en op te offer—praat volumes.

✦ ✦ ✦

’n Woord van Dank

Aan elke pa, oupa en vaderfiguur in die Kuswag-gemeenskap: Baie dankie. Dankie vir die opofferings wat dikwels ongesien gaan. Dankie dat julle die ankers is in ’n wêreld wat soms baie vinnig verander.

As Kuswers is ons bevoorreg om op julle skouers te kan staan om sodoende hoër te kan reik. Ons hoop julle het ’n wonderlike Vadersdag geleef, gevul met die waardering wat julle waarlik verdien!
